

Outdoor Worship Plan

Sundays at 9am on the North Lawn at Grace

Let's gather to worship together.

Before arriving, decide where you'll sit (car or lawn).

Worship from your car...

If you choose to worship from your car, please enter the parking lot from the north entrance, Huntington Drive. Parking attendants will direct you to your parking space. We'll park every other space to distance appropriately, and ask that you remain in or around your car for the service.

After the service, please leave via the same Huntington Drive exit.

...or park to walk...

If you choose to sit on the lawn, please enter the parking lot through the south entrance on Calvin Drive. Then, walk along the sidewalk to the lawn. Please maintain appropriate social distancing and wear a mask while transitioning to your seat. Also, note that both children and cars will be in that lot simultaneously, so hold children's hands and drive carefully. After the service, please leave via the same Calvin Drive exit.

...and find a seat on the lawn.

Ushers will direct you to a circle painted on the lawn for your family unit. Your family may need two circles, and that's just fine. Should you need a spot closer to the front for hearing or closer to the back for restroom access, just let the usher know. Bring your lawn chairs or a blanket to sit on. The circles will help maintain distancing, so please don't wander more than necessary. After the service, ushers will dismiss each circle.

A few other considerations...

- If you think it unwise for you to attend, please join via livestream from home.
- Feel free to wear hats, sunglasses, etc., and/or bring umbrellas for shade.
- Restrooms will be available, but we ask that you do your best not to need them. Parents must accompany children to the Family Restroom. Other restrooms should be used with proper distancing. Please enter and exit via the sanctuary lobby doors or the opened door near the playground.
- Bulletins will be available, and published on the website in both screen-friendly and printable versions.
- We'll have a Welcome Desk should you need First Aid or help with other questions or concerns.
- The playground will not be available. Children's sermon notes pages are available [on the website](#).
